Chief Reynolds:

On 21 DEC 2015, Officer Fay responded to an incident- a 'hit and run' causing property damage- here at our residence in The Farm. My wife and I would like you to know that Officer Fay exhibited a high degree of professionalism in handling this matter, which involved apprehending the suspect and a court appearance, for which I was present. Officer Fay continued his follow-up with me to insure that we were paid as agreed for the property damage, which we were.

Accordingly, we would commend Officer Fay for his prompt and efficient police actions and also for his personal demeanor, which serves him and your department very well. It is comforting to know that you hire personnel like Officer Fay to protect and serve the community. We think it is important for members of this community to show their appreciation of the difficult work done by police officers, so we send this to you in the hope that your entire department is encouraged and uplifted by the support of your fellow citizens.

Very truly,

Charles and Gretchen Rudesyle

Chief Reynolds,

Over the weekend (Friday night), my wife struck a deer on a remote section of SC Highway 462 near Snake Road. Although her vehicle was not disabled, it was moderately damaged and she was waiting for SCHP to respond and or take a report over the phone. As you are aware, this stretch of road is pretty desolate and is not a good spot for anyone to be broken down.

My wife called me and I responded. Upon arrival, I was surprised to find one of your Officers on scene with his emergency equipment going. His name is Jacob Higgins. After speaking to him, he offered to remain on scene for a while

longer and indicated that we were in a not so safe neighborhood. After checking on the vehicle and determining it was safe to drive, I escorted my wife back to Lady's Island.

I wanted to convey my gratitude to you and for your Officer's professionalism and dedication to serving citizens. I felt that he went out of his way to assist a motorist that was not even in his own jurisdiction. My wife and I appreciate it.

Thanks,

Rob Carson
